ABOUT ME

You can provide a Hello! I am an enthusiastic IT student eager to kickstart a career journey focused on Front-End Development, UI/UX Design, and Testing. I am committed to mastering the skills necessary for crafting compelling and user-friendly interfaces. My objective is to gain hands-on experience by actively contributing to projects that allow me to learn, grow, and apply my knowledge.

I aspire to create visually appealing designs and seamless user experiences, blending creativity with technical skills. While I may have limited professional experience, my passion for innovation and dedication to continuous learning drive my pursuit of excellence in the dynamic field of IT.

I am excited about the opportunity to collaborate, learn, and contribute to projects that not only enhance my skills but also make a positive impact!

CREATIVE WORKS

Beauty Ecommerce in Figma

This is a prototype that i created in Figma, while taking the WebCase Online course, which helped me understand and learn how to project my creative ideas into visualization.
